ONE DOG PER APPLICATION**

All dogs over 3 months of age require a license immediately per Ohio Revised Code (ORC) 955.01. Dog licenses are renewed annually between December 1 and January 31st per ORC 955.01. If you wait more than 30 days to license a dog over 3 months old, the Auditor is required to assess a penalty equal to the fee per ORC 955.01.

The Franklin County and City of Columbus Boards of Health have declared a rabies quarantine for all of Franklin County. A rabies vaccination is required prior to the issuance of a dog tag for all dogs over 3 months old per ORC 955.26. Dogs 3 months or younger can be licensed without a rabies vaccination.

In order to address the overpopulation of dogs in Franklin County, the Board of County Commissioners has increased the fee for dogs not spayed or neutered. Dogs 9 months or younger and other exclusions are listed below.
